Musical Dialogues Series Sponsored by Travelers

Musical Dialogues is a unique series of concerts that are free and open to the public, which not only presents music performed by Hartford Symphony Orchestra musicians, but also provides audience members an opportunity to engage in dialogue with the musicians.

Musicians Care Project

Musicians Care Project is a community engagement initiative of the Hartford Symphony Orchestra and seeks to enhance the quality of life for people of all ages whose healthcare needs prevent them from taking part in traditional music performances by providing live, interactive musical experiences.

Instrument Petting Zoo

The HSO Instrument Petting Zoo allows students to See, Hear, Touch, and Play the instruments of the Orchestra. Each Zoo-goer discovers the mechanics and sounds of instruments in a hands-on musical laboratory!

Lincoln Financial Discovery Concert Series

Lincoln Financial Discovery Concerts are innovative school day concerts held at Mortensen Hall at The Bushnell Center for the Performing Arts which illuminate classical music for students while incorporating important academic areas.

Symphony in the Schools Ensembles

Symphony in the Schools Ensembles brings HSO chamber ensembles into the classroom for interactive and collaborative performances. The ensembles will play with themes such as history, math, and literacy, and of course music. By using these themes, which are flexible, the interactive performance will be an asset to any curriculum by enhancing the students' learning experience In School Ensembles.

FOR MORE INFORMATION ON ANY OF THESE PROGRAMS, please contact Miriam Engel, HSO Education Coordinator at 860.760.7328 or mengel@hartfordsymphony.org
